

Barbara A. Foley Quality, Safety and Injury Prevention Award

Description

This award recognizes an emergency nurse who has developed, implemented or advocated for quality, safety and/or injury prevention initiatives that have resulted in improved outcomes in the emergency care setting or at the local, state, national or international level.

Requirements

- Nominee must be an ENA member.
- Nominator must be an ENA member.
- Two narrative statements (each addressing three separate criteria listed below) written by two different individuals. One narrative must be written by the Nominator.
- CV / Resume summary of the Nominee (please see page 2 in the Achievement Awards Handbook for a list of specific information needed).

To save time in preparing for EN24: in case your nominee receives the award, if possible, please email the nominee's current headshot photo, 8x10, high resolution/300 dpi (no iPhone/smartphone photos) to AnnualAwards@ena.org. However, this is not mandatory.

Narrative Statements / Criteria

Please do not include the name of the nominee in the Narrative Statements.

- Each response must be limited to a maximum of 200 words.
- Develop responses in a word processing program such as Microsoft Word, use the WORD COUNT checker to ensure your responses are limited to 200 words, as well as the spell-check option. Then copy and paste responses into the online nomination form.

Narrative Statements should address each criterion listed below:

1. A description of how the nominee developed or promoted quality, safety or injury prevention initiatives in the emergency care setting or at the local, state, or national level.
2. A description of how the nominee PROMOTES:
 - a) Quality/safety programs resulting in improved outcomes by partnering with providers, community groups or law enforcement.

OR

 - b) Structured injury prevention programs, shared in media, etc.
3. A description of the nominee's advocacy efforts related to legislation, policy or regulatory enforcement that will prevent injuries and deaths or improve the delivery of safe care.
