Media Award

Description
This award recognizes a media presentation (television, radio, internet, or print) that portrays emergency nursing in a positive, accurate and professional manner. This presentation may have been created to educate the consumer about emergency nursing/emergency care issues or advocate for issues in emergency nursing/emergency care.

Requirements
- Self-nominations are allowed.
- Nominee does not need to be an ENA member.
- Nominee does not need to be a nurse.
- Curriculum vitae / Resume summary not required.
- The presentation was:
  - televised, aired, or published between January 1 and December 31, 2022.
  - developed without solicitation by ENA or any other organization for marketing purposes.
- A copy of the presentation must be emailed to AnnualAwards@ena.org OR a link to the online presentation must be included in the nomination form.
- One narrative statement addressing the three separate criteria listed below.
  - Please include in one of the responses if, and how, an ENA member was involved with the presentation.

Narrative Statement / Criteria
Please do not include the name of the nominee or any identifying information in the narrative statements.
- Each criterion response is limited to a maximum of 200 words: approximately 1300 characters.
- Use of bullet point responses is encouraged.

Narrative statements should address each criterion listed below:
1. A description of how the media presentation is consistent with ENA’s Emergency Nursing Scope and Standards of Practice and official ENA position statements, such as Cultural Diversity and Gender Inclusivity in the Emergency Care Setting position statement and/or Healthy Work Environment in the Emergency Care Setting position statement.
2. An explanation of how the presentation reflects the professional aspects of emergency nursing care.
3. The presentation reflects high standards as a professional production and provides the consumer with accurate information.
