

## Nursing Education Award

### Description

This award recognizes a nurse who has made significant contributions to the education of colleagues, nursing students, EMS personnel, patients/families and/or the community through the publication of articles, formal or informal courses, or the development of a specific emergency nursing program or curriculum.

### Requirements

- Nominee must be an ENA member
- Two narrative statements from two different individuals addressing the three separate criteria listed below. At least one narrative must be written by an ENA member
- Curriculum vitae / Resume summary of the Nominee (please see the Achievement Awards Handbook for a list of specific information needed)

### Narrative Statements / Criteria

**Narrative statements should not include the name of the nominee.**

Narrative statements should address each criterion listed below:

1. A description of the how the nominee:
  - a) demonstrates education competence as a mentor, preceptor, resource or instructor in programs for emergency nurses, EMS teams or other health care professionals

OR

  - b) developed or implemented educational programs, especially those that are innovative in nature, for nursing students and/or patients and their families
2. A summary of the specific situations where the nominee has demonstrated nursing expertise through publications or significant educational projects
3. A description of how the nominee participated in the development or implementation of educational programs related to the specialty of emergency care
