

Nursing Education Award

Description

This award recognizes a nurse who has made significant contributions to the education of colleagues, nursing students, EMS personnel, patients/families and/or the community through the publication of articles, formal or informal courses, or the development of a specific emergency nursing program or curriculum.

Requirements

- Nominee must be an ENA member.
- Two narrative statements from two different individuals addressing the three separate criteria listed below. At least one narrative must be written by an ENA member.
- Curriculum vitae / Resume summary of the Nominee (please see the Achievement Awards Handbook for a list of specific information needed).

Narrative Statements / Criteria

Narrative statements should not include the name of the nominee.

Narrative statements should address each criterion listed below:

1. A description of how the nominee:
 - a) demonstrates education competence as a mentor, preceptor, resource, or instructor in programs for emergency nurses, EMS teams or other health care professionals.

OR

 - b) developed or implemented educational programs, especially those that are innovative in nature, for nursing students and/or patients and their families.
2. A summary of the specific situations where the nominee has demonstrated nursing expertise through publications or significant educational projects.
3. A description of how the nominee participated in the development or implementation of educational programs related to the specialty of emergency care.
