

Nursing Practice and Professionalism Award

Description

This award recognizes a nurse who exemplifies outstanding nursing practice as demonstrated through clinical skills, care and compassion. This nurse is recognized by peers as an expert in emergency nursing and consistently exhibits traits associated with professional behavior and commitment to professional values. This individual may demonstrate outstanding commitment to a specialty population such as pediatrics or older adults within the specialty of emergency nursing.

Requirements

- Nominee must be an ENA member
- Two narrative statements from two different individuals addressing the five separate criteria listed below. At least one narrative must be written by an ENA member
- Curriculum vitae / Resume summary of the Nominee (please see the Achievement Awards Handbook for a list of specific information needed)

Narrative Statements / Criteria

Narrative statements should not include the name of the nominee.

Narrative statements should address each criterion listed below:

1. A description of how the nominee demonstrates exemplary collaborative relationships in the work setting
2. A description of how the nominee demonstrates a high level of nursing skills or the application of evidence-based practice
3. A description of the nominee's participation in activities, programs or projects that demonstrate the application of *ENA's Emergency Nursing Scope and Standards Practice* in the clinical setting
4. A summary of the nominee's participation in professional development activities or programs during the last two years
5. A description of recognition given to the nominee as an expert in care by the hospital, emergency care setting or other members of the health care team
