
ENA can’t thank you enough for your essential support in 2020 to help us celebrate reaching this important milestone. We’re excited to announce ENA will continue to celebrate reaching 50 years strong with engaging events and its new, must-attend virtual emergency nursing conference.

Here’s what’s NEW and being offered to you as a valued 50th Anniversary Sponsor –

Your logo will be featured the entire evening along with a sponsor shout-out to all attendees. Pick or host a themed decade and let’s party!
