| FAST TRACK: Rural Trauma Care in an At Risk State | 1:15 PM | 1:40 PM | Trauma | Lindsey Rasmussen, RN, BSN ; Karen Genzel, BSN, RN |
| FAST TRACK: S.O.S! Patient Satisfaction Or Staff Safety? Our Journey to Improving Both | 1:15 PM | 1:40 PM | Leadership and Management | Yen Munoz, MSN, RN, NE-BC, LSSYB |

Note: Education information is subject to change.

The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The Emergency Nurses Association is approved by the California Board of Registered Nursing, Provider #2322.

At Emergency Nursing 2019, ENA is taking emergency nursing education to the next level with the educational sessions listed above plus additional learning opportunities throughout the conference.

AdvancED: Collaborate with colleagues in this fully-equipped, four-bed mock emergency department using high-fidelity simulated-manikins. Attendees will participate in clinical simulations designed to mimic a real ED setting featuring pediatric, adult, and geriatric patients.

DisasterER: This interactive area features military SMRT tents, a medical helicopter, and exercises that prepare nurses for emergencies outside of the ED. Hands-on activities include techniques in S.T.A.R.T. Triage, self-aid, buddy-aid, tourniquet application, and lessons on emergency preparedness for catastrophes in the field.

ENA Learning Labs: Two stand-alone dedicated spaces featuring experienced educators presenting innovative clinical education and best practices to improve patient care. Topics include IV infiltration, intubation, OB in the ED and more!

Exhibit Hall: Visit more than 200 leading suppliers of products and services for every level of emergency nursing professional in every type of emergency care environment.

Fast Track/Deep Dive Sessions: ENA provides multiple learning formats for attendees to experience — from short, fast-paced, need-to-know presentations to in-depth topic explorations that require extended, interactive engagement.

Insights & Innovations: Stop in this area for education in varying formats—from fun game shows and EN debate wars to short, powerful, brief talks on new and innovative products and services—enhance your ED combined with informative hot topics presented by your peers.

SIM Wars Competition: A single-elimination tournament in which 4-person teams compete in simulated scenarios using live patients (or high-fidelity simulated-manikins). This fun and exciting educational event encourages nurses to work together using on-the-spot critical action to achieve the best possible patient outcome. Sixteen teams will compete across two stages in front of an audience of their peers, the winning team will receive the much-coveted SIM Wars trophy!

Skills Lab: Three stations; three themes. Move through this multi-layered skills training with your designated group for hands-on education covering Trauma Resuscitation, Neonatal and Pediatric Resuscitation and Critical Care for Emergency RNs. Preregistration is required and there is an additional \$10 fee to participate. PS — Don't forget your group number!

Sponsored CERP Events: ENA has an outstanding support system of sponsors, partners and exhibitors. Earn Continuing Education Recognition Points that are accepted by **BCEN**[®]. These sessions and events provide attendees with additional content relevant to advancing the emergency nursing field. Check the BCEN[®] website for current CERP acceptance information.
