

How to Watch the Premiere

The *In Case of Emergency* virtual premiere will take place Oct. 14 at 8:00 pm (EDT)

- To access the premiere please go to <https://watch.eventive.org/incaseofemergency> and reserve your free ticket
- Your ticket allows you access to stream the film beginning at 8:00 pm (EDT) on Oct. 14
- You will have **4 hours to begin watching** the film once it is available
 - If you do not begin watching the film prior to 12:00 am (EDT) Oct. 15 you will no longer have access
 - However, if you begin watching the film between 8:00 pm and 11:59 pm (EDT) and stop for any reason you will have 24 hours to complete watching the film
- Following the film premiere there will be a live Q&A with the filmmakers and featured nurses
- Don't want to stream the film on your computer? Here are some alternative options:
 - Download the Eventive app on Apple TV or Roku

Important note: Due to content protection restrictions, the Screen Mirroring feature on Smart TVs and other devices cannot be used. Many browsers built into Smart TVs and other devices will **NOT** allow protected content to play.

For more details on how to view the premiere on select devices please go to <https://help.eventive.org/en/articles/3922588-audience-faq>
