

State Council and Chapter Leaders

2021 Activity Plan

The Activity Plan is designed to provide state and chapter leaders a month-to-month planning schedule of activities to accomplish and pertinent dates by month. The items in this document include compliance requirements and recommended activities to keep your state council and chapter strong and successful. You may also use this document as a baseline plan to add your own state council or chapter planning activities.

Delegation of tasks is essential to ensure activities are accomplished. It is recommended that state or chapter leaders take the opportunity to delegate activities to appropriate positions. This not only gets the assignments completed but serves as a conduit toward volunteer engagement and leadership development.

For questions or assistance, please contact the ENA Component Relations department at componentrelations@ena.org or call 847-460-2627.

Note: Some dates on the calendar are yet to be determined. Dates will be updated, and the Activity Plan will be reposted.
