### About the Emergency Nurses Association

ENA, which has more than 42,000 members worldwide, is the only professional nursing association dedicated to defining the future of emergency nursing and emergency care through advocacy, expertise, innovation and leadership. Founded in 1970, ENA develops and disseminates education and practice standards and guidelines, and affords consultation to both private and public entities regarding emergency nurses and their practice. Additional information is available at ENA's website, [www.ena.org](http://www.ena.org) or on Twitter: @ENAorg
