

Refer. Save. Repeat.

Recruit new members to earn discounts on premier nursing education with ENA Member Referrals.

How It Works

1. Find your referral code in your member profile at portal.ena.org (scroll down to Membership Referral Code).
2. Share your code with a colleague or friend who is not an ENA member.
3. Once they join using your code at checkout, they will receive 15% off membership and you will receive a discount code for the ENA Store. It's a win-win!

The more members you refer, the more your discount will grow:

- * 1st paid referral: 15% discount
- * 4th paid referral: 20% discount
- * 10th paid referral: 25% discount
